

Activity Report

Name of the event:	Expert Talk On Drone Technology
Level of Activity (Local/State/National/International):	Local
Duration(in days):	1 Day
Date & Time of the event:	10/01/2025, 10:00 AM to 11:30 AM
Participants/Audience	Students of ACT FY
Expert(s) / Guest(s) /Judge(s) of the event:	Expert Mr. Y. K. Narwade
Organizer	Mr. Y. K. Narwade
Summary of the event:	<p>The expert talk was delivered by Mr. Y. K. Narwade, Department of Civil Engineering, CSMSS COE, Chh. Sambhajnagar (Aurangabad). The expert talk was organized for first-year students to aware student about opportunities in Drone Technology.</p> <p>The talk served as a platform to inspire students to aim job opportunities in Drone Technology. The expert talk on Drone Technology was an insightful and informative session that covered a wide range of topics, from the fundamentals of drone operations to their real-world applications and future trends. By providing both technical knowledge and industry insights,</p> <p>The session successfully achieved its goals of educating the students and inspiring them to engage with the dynamic field of drone technology. The talk underscored the immense potential of drones to revolutionize industries and enhance the quality of life, while also highlighting the importance of addressing challenges related to safety, privacy, and regulation.</p> <p>This session served as a valuable platform for learning, networking, and career development in the rapidly growing drone industry. Session attended by First student of E&C (A.C.T) along with faculty.</p>
No. of Participants / Attendee /	60 Students and 01 Faculty of E&C (ACT) Department.
Event Objectives	Understanding the Fundamentals of Drone Technology and Exploring Diverse Applications of Drones.

Outcome(s):

- Enhanced Knowledge of Drone Technology.
- Awareness of Emerging Trends.
- Industry Applications and Real-World Impact.

Glimpse of Event:-

Prof. S. H. Jadhav
First Year Class Teacher

Dr. Syed Sumera Ali
