REPORT OF
EXPERT TALK ON
“ROLE AND IMPORTANCE OF ENGINEERS FOR SOCIETY”

Date: 19/09/2024

Time: 11:00 PM

Venue: Electronics & Communication (Advanced Communication Technology) Department,
CSMSS Chh. Shahu College of Engineering.

Goal: The aim of this interactive session is to explore the role and importance of engineers for society.

Objective: The main objective of the program is as follows:

- The objective of the interactive session tailored for students and faculty members is to provide them with a comprehensive understanding of role and responsibility of engineers.
- The interactive session personalized for students and faculty members for equipping them with the tools and strategies necessary to excel in their academic pursuits and professional careers.
- Identify their unique strengths, skills, and passions and areas of expertise to establish a strong professional identity within their academic community.

Benefits:

- Role of engineer equips students with the skills and mindset necessary to navigate their future careers effectively.
- For faculty members, role and responsibility of engineer enhances their professional reputation and credibility within the academic community. By showcasing their expertise, research interests, and teaching philosophies, faculty members can attract opportunities for collaboration, publication, and recognition within their field.

About Event:

- The interactive session was organized by Department of Electronics and Communication (Advanced Communication Technology), CSMSS Chh. Shahu College of Engineering, Chh. Sambhajnagar under ISTE student chapter.
- Dr.Sayed Sumera Ali addressed students and faculty and delivered expert talk on “**ROLE AND IMPORTANCE OF ENGINEER FOR SOCIETY**”. She has explained the importance and significance of engineers for society.
- An interactive session on “**ROLE AND IMPORTANCE OF ENGINEER FOR SOCIETY**” was conducted by Dr.Sayed Sumera Ali (Associate Professor) CSCOE, Chh. Sambhajnagar for the SY students of Electronics & Communication (Advanced Communication Technology) Department, CSMSS Chh. Shahu College of Engineering, Chh. Sambhajnagar. Dr.Sayed Sumera Ali, shared valuable insights into the unique strengths, skills, and passions to develop a distinct personal brand.
- She introduced the concept of role of engineers and its significance in today's competitive world. Through interactive discussions and engaging activities, Dr.Sayed Sumera Ali encouraged students to reflect on their individual strengths, skills, and passions.
- Dr.Sayed Sumera Ali emphasized the role of leadership in personal branding and encouraged students to take ownership of their academic and professional journeys.
- The session concluded with a Q&A segment where students had the opportunity to seek clarification and share their insights on role of engineer.

- The session followed by Mr. Satish Jadhav, he has given brief information about ISTE(Indian Society for Technical Education) and presented vote of thanks.
- Around 45 students and faculty members were present and benefitted through the program.
