

CSMSS

CHH. SHAHU COLLEGE OF ENGINEERING, Chh Sambhajinagar

Department of Electronics & Communication (Advance Communication Technology)

Name of the event:	Webinar on importance of Innovation and IPR in Engineering Curriculum.
Date of the event:	27 April 2026.
Participants	98 students (SY and TY)
Summary of the event:	ACT Department and IIC jointly organized a webinar as part of Intellectual Property Rights Week, where Mr. Vishnu T U introduced the fundamentals of Intellectual Property. The session explained the need for IPR and highlighted how it helps in protecting innovations, supporting startups, and promoting technological growth in engineering domain.
Outcome(s):	<ul style="list-style-type: none">• Participants gained a clear understanding of the basics of Intellectual Property Rights and awareness increased about the need for IPR in protecting ideas, designs, and innovations.• The session explained different ways in which IPR can benefit engineers and startups and how IPR supports innovation, research, and entrepreneurship.• Attendees developed a better perspective on commercialization and legal protection of their work.
