Department of Artificial Intelligence & Data Science

Name of the event:	Expert Talk on Etiquettes and Manners
Date of the event:	27/03/2026 & 28/03/2026
Participants	160
Objective	<ol style="list-style-type: none">1. To enhance student's professional behavior.2. To develop communication and network3. To have sense of dressing, mindset, feeling.4. Discipline and develop personality.
Summary of the event:	<p>The session was conducted to help students improve their skills and mindset for working in the corporate world. It explained how important it is to prepare ourselves for uncertain situations in professional life. The speaker talked about how our reactions and behavior with colleagues should always be respectful and professional. Discipline was highlighted as an important step for achieving success. The guest speaker explained three important habits for personal growth: waking up early, planning your day properly, and being consistent in your work. These habits help a person stay focused and organized. The speaker also explained that our actions create a mental image that shapes our identity.</p> <p>He said that a person is known by the way they think, behave, and present themselves. The session also emphasized the importance of communication in building strong relationships. Good communication skills help in building a strong network, and a strong network can create many opportunities in life.</p>
Outcome:	<ol style="list-style-type: none">1. Students understood the importance of discipline, planning, and consistency in daily life.2. Students learned how behavior and attitude affect their personal and professional identity.3. Students understood the importance of communication skills in building strong professional networks.
