Date of the event:	03/10/2026
Participants	Parents of SY and TY students (count 52)
Faculty / Resource Person	All Faculty Members.
Objective	1. Academic Performance Review 2. Student Progress & Development 3. Behavior & Discipline Monitoring 4. Strengthening Parent-Teacher Communication
Summary of the event:	A Parent-Teacher Meeting (PTM) for SY/TY/B.Tech students was organized by the Department of Artificial Intelligence & Data Science, CSMSS's Chh. Shahu College of Engineering, Chhatrapati Sambhajanagar on 3 October 2026 from 11:00 AM to 1:00 PM at Hall B-418. The meeting was conducted to strengthen parent-teacher collaboration and to support the academic and professional development of students. The meeting began with a welcome and inaugural address by the Head of the Department, who highlighted the importance of parental involvement in students' academic and professional growth. Parents were provided with an overview of the department's infrastructure and technical facilities, including specialized laboratories, computing facilities, research resources, and digital platforms that support practical learning and innovation. The faculty members also discussed the academic mentoring and student support systems available in the department. Information regarding mentoring programs, technical guidance, skill-development initiatives, and counselling services was shared with the parents to create awareness about the support provided for students' overall development and industry readiness. The curriculum and academic framework were also explained, including the curriculum structure, credit system, evaluation methods, outcome-based education, project-based learning, and alignment with industry standards. Parents were encouraged to actively participate in their ward's educational journey, communicate with teachers, share their suggestions, and work collaboratively with the department. The meeting provided a valuable platform for interaction between parents and faculty members, enabling parents to understand the department's academic practices, facilities, mentoring initiatives, and student-support mechanisms. Overall, the Parent-Teacher Meeting was successfully conducted and helped strengthen parent-teacher collaboration.
