

Civil Engineering Departmental Library

Department Library:

The word ‘**library**’ is rich in tradition, meaning, and usage. Throughout the world, the ‘Library’ is considered as part and parcel of the academic set-up. It serves as the main resource centre of information and aims to develop a comprehensive collection of documents useful for faculty and students of the institute and provides an efficient dissemination of knowledge. So, all students, faculty members and employees of the department are entitled to make use of the Library facilities. The Civil Engineering department Library is well-stocked with latest editions of books by eminent authors and is having a huge collection of books to cater to the needs and requirements of the faculty as well as students. Also, it bestows a wide array of knowledge by yielding collection of books related to TOEFL, GRE, GATE and Civil Service Examinations.

Objectives:

The CE department Library enables educational and research success by:

- Building collections and facilitating access to information across all formats;
- Teaching people how to locate, assess and use information to meet their needs;
- Providing welcoming spaces that support a full range of intellectual endeavours.

Resources:

To cater to the wide varieties of demands of students and faculty and taking Educational needs, Information needs, Inspiration needs and recreational needs into consideration, Civil Engineering Departmental library has been enriched with

- 496 Volumes of textbooks - [Click here](#) for the list of available titles.
- 172 various titles of textbooks
- Project thesis (B.Tech, M.Tech) of past academic years are being maintained.
- Old question papers
