

CSMSS

CHH. SHAHU COLLEGE OF ENGINEERING, AURANGABAD**Name of the Department: - Computer Science & Engineering Department**

Name of the event:	Cyber Security Awareness Seminar
Date of the event:	09 Sept. 2025
Participants	SY & TY Students of Computer Science & Engineering.
Expert(s) / Guest(s) of the event:	Imran Shaikh, Atul Chaudhari.
Summary of the event:	The Department of Computer Engineering successfully organized a Cyber Security Seminar for Second Year (SY) and Third Year (TY) students in collaboration with NexSecura Services, a leading cyber security solutions provider. The seminar aimed to enhance awareness about the growing importance of cyber security and equip students with knowledge of current threats, defense mechanisms, and industry practices. • Topics Covered • Ethical Hacking Fundamentals of penetration testing and vulnerability assessment. • SOC & SIEM Security Operations Center workflows with tools like Splunk, QRadar, and ArcSight. • IoT Security & Network Defense Protecting IoT devices and designing secure networks. • Threat Intelligence & Incident Response Identifying, analyzing, and responding to cyber threats.
Outcome(s):	• Students gained awareness of real-world cyber threats and the importance of proactive defense. • Hands-on exposure to industry-grade tools and practices provided practical learning opportunities. • The seminar created a foundation for students aspiring to build a career in cyber security and ethical hacking
