| <b>Summary of the event:</b>              | <p>The Parents-Teacher Meet was organized by the Department of Computer Science &amp; Engineering, CSMSS Chh. Shahu College of Engineering, Aurangabad for Second, Third Year and B.Tech (Final Year) students. The meeting witnessed active participation, with around 25 parents in attendance.</p> <p>The meeting was inaugurated by Dr. S. P. Abhang, Prof. A. G. Kadam, Dr. K. D. Kharat and faculty members.</p> <p>The Parent-Teacher Meeting addressed key aspects concerning students' academic performance, attendance, certification, including their ongoing project activities, participation in upcoming competitions, and involvement in programs. The discussions emphasized the importance of academic progress, skill development, and parental support in facilitating the students' overall growth and success.</p> <p>After this, interaction between Parents, Class Teachers, Subject Teachers and Teacher Guardian was done. There was discussion on student's performance in individual subjects, student's discipline in classrooms and their attendance percentage. Parents expressed appreciation for the college's efforts in maintaining transparency and ensuring student welfare. Tea were provided to the parents after meeting.</p> <p>The meeting was concluded with vote of thanks given by Dr. S. V. Khidse. After this Parents were asked to fill up the feedback form.</p> |
| <b>Outcome(s):</b>                        | <ul style="list-style-type: none"><li>● Academic Performance was reviewed and areas of improvement were discussed.</li><li>● Attendance records were shared; irregularities were addressed.</li><li>● Student Behavior and class participation were discussed with parents.</li><li>● Involvement in Activities like seminars and clubs was encouraged.</li><li>● Career Guidance regarding internships, placements, and skill development was provided.</li><li>● Parental Feedback was taken and concerns were noted.</li></ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

- Action Plan for academic and behavioral improvement was outlined.
- Follow-up support and regular monitoring were agreed upon.

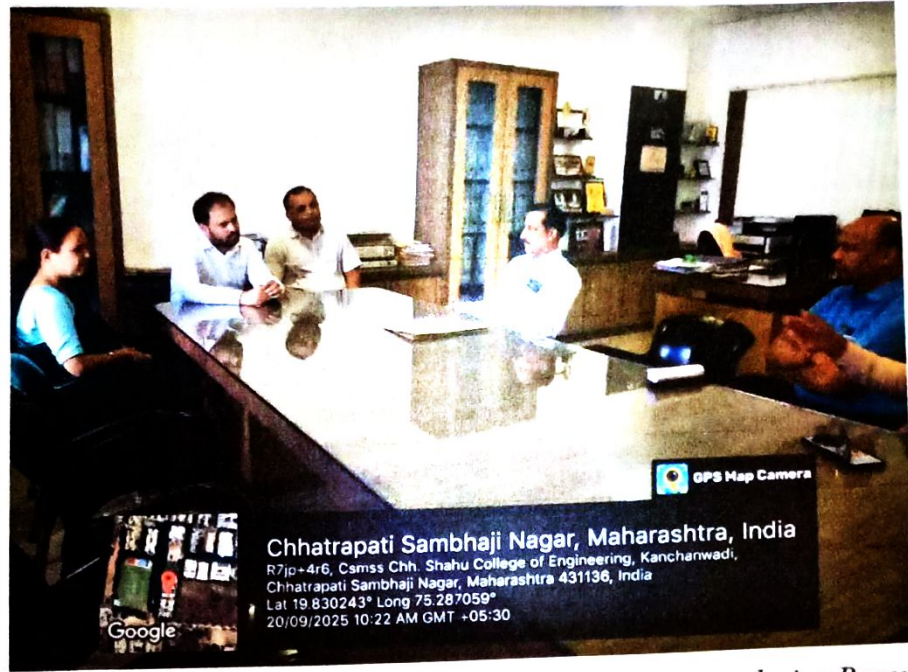

*Interaction of Dr. S. P. Abhang with parents individually regarding progress of student*
