

Placement Drive- Ultratech Cement (4/06/2026)

On June 4, 2026, the Placement Cell of CSMSS Chh. Shahu College of Engineering, Chhatrapati Sambhajinagar, successfully organized a placement interview drive for the Civil and Mechanical Engineering students. The initiative provided aspiring graduates with a valuable platform to interact with recruiters and demonstrate their technical knowledge, problem-solving abilities, and communication skills. The structured process reflected the institution's commitment to enhancing employability and fostering industry-academia collaboration, while also highlighting the proactive role of the Placement Cell in guiding students toward promising career opportunities.
