ACKNOWLEDGEMENT

First and foremost, I would like to thank God Almighty for giving me the strength, knowledge, ability and opportunity to undertake this research study and to persevere and complete it satisfactorily.

In my journey towards this degree, I have found a teacher, an inspiration, a role model and a pillar of support in my Guide, **Prof. V. Y. Gosavi**. He has been there providing his heartfelt support and guidance at all times and has given me invaluable guidance, inspiration and suggestions in my quest for knowledge. He has given me all the freedom to pursue my research, while silently and non-obtrusively ensuring that I stay on course and do not deviate from the core of my research. Without his able guidance, this thesis would not have been possible and I shall eternally be grateful to him for his assistance.

I take pride in acknowledging the insightful guidance of **Prof. V. Y. Gosavi**, for sparing his valuable time whenever I approached him and showing me the way ahead. I would also like to express my gratitude to **Dr. G. B. Dongre**, Principal and **Dr. R. H. Shinde**, Head of the Department and the entire staff at CSMSS Chh. Shahu College, Chh. Sambhajinagar who have been so helpful and cooperative in giving their support at all times to help me achieve my goal. Their support, encouragement and credible ideas have been great contributors in the completion of the thesis.
