Name of Activity	Expert Talk on "Career Opportunities for mechanical Engineer in oil and gas industry"
Date	29-09-2026
Place / Platform	B-115 Mechanical Engineering Classroom
Expert	Mr. Aamer Hashmi, UTECH ENC (Head Plant Engineering-Founder)
Summary of the Activity	The Department of Mechanical Engineering, CSMSSS, organized an expert talk on "Career Opportunities for mechanical Engineer in oil and gas industry" for Third year and final year Mechanical Engineering students. The session was delivered by Mr. Aamer Hashmi, Head Plant Engineering-Founder, UTECH ENC who has 20+ years of industry experience. During the session, he explained career opportunities available for mechanical engineering student in oil and gas industry. He also discussed current industry trends and skill requirements in oil and gas industry.
Outcomes	• The session helped students gain awareness about career paths available after B.Tech in Oil and Gas industry. • Students received valuable guidance regarding career planning in oil and gas industry. • The activity also guided student for process engineering, Pipe Stress analysis, Layouts, Mechanical Tank and Vessel Design and 3D modelling. • Overall, the session enhanced students understanding of market trends and encouraged them to prepare strategically for their future careers.
