Name of Activity	Expert Talk on “Recent Trends in Mechanical Engineering”
Date	29-09-2026
Place / Platform	B-116 Mechanical Engineering Classroom
Expert	Dr. A. B. Kulkarni (Skill and Development head, MAC)
Summary of the Activity	The Department of Mechanical Engineering, CSMSSS, organized an expert talk on “Recent Trends in Mechanical Engineering” for second year and final year Mechanical Engineering students. The session was delivered by Dr. A. B. Kulakarni, Skill and Development head at Marathwada Auto Cluster, who has 25+ years of teaching experience, an Ph.D in Mechanical Engineering. During the session, he explained various career opportunities available for engineering graduates. He also discussed current industry trends, skill requirements. A total of 86 students attended the session and actively interacted with the speaker during the discussion.
Outcomes	• The session helped students gain awareness about multiple career paths available after B.Tech and understand the importance of Skill based learning. • Students received valuable guidance regarding career planning in both technical and non-technical fields. • The activity also motivated students to improve their technical knowledge and professional competencies to meet current industry demands. • Overall, the session enhanced students understanding of market trends and encouraged them to prepare strategically for their future careers.
